

New Wave and New Generation

The **2012 Fiji Prayer Convention** was held from the 2nd to the 6th July 2012 at Sigatoka Fiji. The theme was "Preparing the way for New Generation". This gathering also launched "Transform Fiji" which is a seven year initiative to see the nation transformed with every last village in Fiji experiencing transformation by 2020. Pastor Inosi Vono the Convener of the Convention invited Dr Luis Bush the International Facilitator of Transform World, Lilian Schmid the Convener of Transforming Sydney, Michael Maeliau from the Solomon Islands, and Mr Henrick Minder from Switzerland as guest speakers.

What was the purpose of this Convention?

RESTORATION – due to the different views and perspectives of different religions present within Fiji, there needs to be restoration of the original stand of why CHRISTIANITY was introduced to Fiji, and that is to bring unity and better relationships especially within the different denominations. The presence of different views within the denominations has also brought different spirit which needs to be eradicated and restored with a new and united Christ-like spirit throughout the different denominations, ethnic groups and cultural institutions and especially day to day interactions. The end result of this restoration process will be the improvement the different aspects of society be it economical, social and cultural institutions.

RECONCILIATION – ongoing from the above topic after the process of restoring the much needed unified spirit their needs to be reconciliation within the different denominations to bring about unity and a new perspective for the future of Fiji. Restoration needs to be carried out between

- ✚ Churches to churches
- ✚ Church to indigenous Fijians
- ✚ Church to chiefs
- ✚ Chiefs to chiefs

There is a great need for reconciliation as people in Fiji fail to recognize that the process of reconciliation is a powerful process which is being neglected at most times.

REBUILDING OF THE TEMPLE OF THE LORD – once the above two topics above are addressed then it could assist the process of rebuilding the temple of the Lord which is the spirit and souls of those who have been hurt.

TRANSFORMATION – this will follow after the three processes above have taken place, which will transform people and their souls within the community to unite and bring about change for a brighter Fiji. This will be generally the end result of the processes mentioned above.

GENERATION – the transformation will bring about change not only for the present generation but for the future of Fiji's children. It will also instill a new perspective for a new unified Fiji.

“To all the Churches”

GENERALLY, THE SITUATION AT HAND IS NOT SERIOUS HOWEVER TRADITIONAL PROTOCOL HAS BEEN A MAJOR CONTRIBUTING FACTOR THAT PULLS BACK LOCALS FROM RECONCILIATION. THIS LEAVES AN EMPTY SPACE THAT IS FULL OF HURT AND DOES NOT HEAL, SO THERE IS A NEED FOR SPIRITUAL HEALING; THEREFORE THIS CONFERENCE WILL BE A TOOL THAT WILL BE AN EYE OPENER TO TRAIN, EQUIP AND MOBILISE THE CURRENT GENERATION FOR A NEW JOURNEY AHEAD.

The above vision from the 22nd and 23rd of February 2005

After decades of tribulation it is now time to unite Fiji, spread peace and harmony and also portray how the world should be by instilling God [Yahweh] given values and declare Fiji a God Fearing Nation. Since 2007 God has provided the spiritual foundation to stand up, break the cloud, and prepare the new generation, demonstrating God's beauty and serenity. We need your God given gifts and anointing as an encouragement in the rebuilding of the Lords Temple for a new Nation.
