

Thursday 5th July

On the 5th of July Dr Bush at the meeting with Pastor Inosi and his team, he recommended to invite Michael Maeliau, Henrick Minder and Lilian Schmid back to Fiji and as well as Pastor Djohan Handoyo, the Chairman of Transform World Connections from Bethel Church Singapore to be the speaker at the stadium in 2013 Transform Fiji Conference. Pastor Djohan Handoyo has confirmed that he has received the invitation for next year's event. Transform Fiji result in God's blessing on Fiji to the very last village as you envisioned by the end of seven years.

It would be called **Transform Fiji**, representing a seven year initiative that officially launched with the Prophetic Act on July 4th and ends July 3rd 2017 (Ephraim was the official note taker and can corroborate the discussion on 5th July). Transform Fiji vision is Vision 2020 with the expectation to see that Fiji is transformed by 2020 so that every last village experiences transformation. That is the vision God gave to Inosi with support of his team, and now with the support of three important if not the main chiefs, the civic authorities and the Church leaders in Fiji. On several occasions and officially to the leadership team, Luis Bush recommended Lilian Schmid in the ongoing teaching and direct assignation on behalf of Transform World and Transform World Connections as she is able to do so, her teaching has received commendation from the women indicating their appreciation for her teaching.

Lilian Schmid also made an important recommendation for the team in the immediate future, which is for them to write the following documents:

1. Vision a picture of our desired future (Prov 29:18)
2. Mission shared understanding of our calling and therefore our purpose, intentions and aims (James 4:15)
3. Values our shared commitment to what is desirable and worthy under God
4. Strategy the process of how we get there
5. Core values

Ex 25:31-40, Zech 4, Matt 5:14-16, John 8:12 2 Peter 1:19, Rev 1:12-20, Rev 21:23
